### To create a seamless join:

At the end of the final row. Do not slip stitch to finish. Cut the yarn to a length of approximately 4 inches.

Pull the yarn through so there's no loop.

With a hook or needle, draw the yarn through the back of the first stitch.

To complete the loop, now draw the yarn from the top, through the front loop of the last stitch.

Sew and trim in all ends. Wash block and enjoy your new gloves
